

KUSH PATEL | React.Js Developer

+91-9316937079 | kushpatel3535@gmail.com | linkedin.com/in/kush-patel | github.com/kush-patel

PROFILE SUMMARY

- React.js developer with hands-on experience building responsive web applications, authentication features, and dashboard interfaces. Skilled in frontend development using React.js and RESTful API development using Node.js, Express.js, and MongoDB, with additional experience working on PHP and MySQL based applications. Completed internship and academic projects involving web application development, database operations, and real project workflows.

SKILLS

- Frontend:** HTML5, CSS3, JavaScript (ES6), React.js
- Backend:** Node.js, Express.js, PHP
- Database:** MongoDB, MySQL
- Version Control:** Git, GitHub

EDUCATION

- MCA | Gyanmanjari Innovative University, Bhavnagar** 2024 – 2026
- BCA | Swami Sahajanand college of computer science, Bhavnagar** 2021 – 2024

EXPERIENCE

Full Stack Developer Intern | Amdox Technologies Dec 2025 – Mar 2026

- Built and developed full-stack web applications using the MERN stack by building responsive React.js interfaces, creating RESTful APIs with Node.js and Express.js, and managing MongoDB database operations.

PHP Developer Intern | Seqtto Software Solution Mar 2025 – Jun 2025

- Built and maintained dynamic web applications using PHP, MySQL, HTML, CSS, and JavaScript. Contributed to live eCommerce project with Git & GitHub for version control

PROJECTS

Job Portal System

- Built a React-based job portal with interactive dashboards, authentication UI, and dynamic job listings
- Developed reusable components and integrated REST APIs with responsive frontend design
- Implemented protected routes and role-based frontend UI flow for secure user access

Car Rental System

- Built a car rental system using PHP & MySQL with real-time car availability, bookings, and admin dashboard
- Integrated Stripe for test payments and user login system
- Designed a responsive UI and implemented secure database structure
